

Stockbridge Racecourse

The Returns

1869 – 1878

With some notes

by E C G
2015

What follows are the returns from Stockbridge Racecourse [the Stockbridge and Bibury Club meetings], with some notes, for 1869 to 1878. This completes the series of returns from 1862 to the closure of the Course following the 1898 meetings.

As always the weights shown are 'actuals', that is to say the weight carried in the race. Penalties and allowances are included.

The 1869 meetings were sad affairs, as is noted below, but by 1878 it is doubtful if many gave a thought to 'Harry' fourth Marquis of Hastings; you can never step in to the same river twice, the river has moved on. Likewise with racing. Racing has always been a reflection of society, a truer one than most people would like to admit.

There is a book to be written about Victorian racing journalists but sadly most passed without notice or mention. One would have been at a loss without those who stoically, and professionally, worked through the Arctic blasts of Lincoln and Newmarket, the heat of Ascot and Goodwood and the bitter cold of Shrewsbury. Often badly accommodated and certainly badly paid they were often away from home for weeks at a time. A few did rise to the top and had their own column – and *nom de plume* – but these were generally people who had 'connections' and were a rather different class to the day-to-day scribe. So to those who read the races, and their colleagues whose transcribed short-hand notes have been so useful in producing these pieces — "THANK YOU!"

The same sentiments to those who have taken an interest in the unique course which was Stockbridge — it had a fascinating life, but one that was far, far, too short.

Farewell!

1869

BIBURY CLUB MEETING

Wednesday 23 June.

This was the first meeting since the death of the 4th [and last] Marquis of Hastings on 10th November 1868. In the few years since 1862 he had become very much associated with Danebury and the racecourse and had proved highly beneficial to the local economy. The following description of the day reflects the mood of loss to Stockbridge:

Very flat was the appearance of the once celebrated meeting this afternoon a short time before the commencement of the racing, and it did not improve as the day wore on. A few of the old habitués connected with past Bibury traditions were present, including Admiral Rous, Sir Watkin Wynn, the Earl of Portsmouth, Mr G Payne, Lord Falmouth, the Duke of Beaufort, General Wood, Mr Savile, etc; but the Club Stand looked half deserted, and the Club dinner at Andover on Tuesday had only two or three members at its board.

However the *Morning Post's* Racing Correspondent waxed rather more lyrical: —
As a prelude — over the same course — to the Stockbridge meeting, the Bibury Club inaugurates the three days racing. The walk up to the course from the pretty village of Stockbridge, through fields of fast ripening corn with which the ruddy hue of the poppy thickly intermingles, and on a beautifully fine morning, would constitute a theme on which the enthusiastic visitor might be pardoned for dwelling, while the undulating downs and fir-capped knolls made up a scene truly pleasant to the lover of nature. The course proved in capital condition, which, combined with lovely weather and the perfection of business arrangements, tended to confident anticipations of an enjoyable day.

{The days of club meetings are probably doomed. One or two may drag on a languid sort of existence, but their popularity, with the need for their existence, has passed away. There are but few amateurs who can ride anything but extreme welter weights, and professionals, with their 7lb. allowed, often form the majority in club races. They are, however, pleasant little gatherings, if not productive of much sport, agreeable points of union for members and their friends. Stockbridge racecourse, too, is always a pleasant place in which one can enjoy racing more after Newmarket fashion than anywhere else, so Bibury Club day boasts, perhaps, more vitality than other similar institution.}

THE BIBURY CLUB

Wednesday 25 June.

About the pleasantest meeting as far as locality is concerned, in the whole racing year, the three days on Stockbridge Racecourse are not what they were in a racing point of view. For this there are many reasons though we need not go farther to seek for them than in the altered fortunes of Danebury and Woodyates. Formerly, when these training establishments - the first named especially - were full of horses, and the strings on Danebury Downs had Derby and St Leger favourites among them. Stockbridge was quite a little Ascot or Goodwood in the importance of its fields. Then a home stable was the great feature of the meeting, and when Danebury lost by death and other causes, some of its leading patrons, Stockbridge races followed its fortunes.

A PLATE [2.00] of £50; weight for age. About five furlongs.

^x £50, ^z £100 selling price.

6/5 on Lyra, 7/1 Batsford, Queenwood, 10/1 any other.

Batsford, in company with Aorta and Lyra, made play into the dip, when the Lyra broke down and suddenly dropped back, and Queenwood then came up on the inside, and with Maybush joined Batsford at the Stand, the three finishing a close race home, Queenwood winning by half a length; three lengths between the second and third.

THE BIBURY STAKES [2.45] (Handicap) of £5 each, with 50 added; winners extra. One mile and a half.

Winner by Wild Dayrell — Freight

Stockbridge & Bibury Club Meetings 1869 - 1878

Evans Houghton, 5/2 Peacock, 3/1 Pensioner.

Houghton made play clear of Pensioner and Peacock for a hundred yards; the latter then became second and followed the leader at a slow pace into the dip. Here Peacock drew up to the favourite, the pair running side by side to the commencement of the Stand enclosure, when French sent out Houghton and won very easily by a length, with Pensioner beaten off.

[Pensioner had previously been backed for the St Leger.]

A SELLING WELTER PLATE [3.30] of £50; weight for age. Old Mile.

St. Sebastian ^x	Mr T E Walker	3	10-8	Mr J M Richardson	1

7/4 Openhand, 5/2 St Sebastian, 100/15 Ragamuffin, 8/1 Theodoras.

They ran in company for a quarter of a mile. The running was then taken up by St Sebastian, closely attended by Maybush, and Theodorus to the distance, when Openhand joined issue; but dying away immediately after, the race was left with the three, St. Sebastian winning cleverly by three parts of a length; a bad third. *[St Sebastian ran badly at Ascot but was against lesser opposition here.]*

THE CHAMPAGNE STAKES [4.00] of £10 each, with 100 added, for 2-yr-olds; colts, 8st 10lb; fillies, 8st 7lb; winners extra. From the Bush in.

5/2 the Christmas Pie colt, 100/30 Cherry Duchess, 9/2 Beatrix Esmond, 5/1 Birbeck, 6/1 Lady Blanche filly.

They were despatched to an excellent start, in which they quitted the post in close company; but they had no sooner settled into their places than the favourite, on the right of his horses, assumed command, and with Birbeck, Beatrix Esmond, and Cherry Duchess lying up, made running to half-way down the hill where Goater steadied the favourite, and the lead was then left with Birbeck, slightly in advance of the favourite, and Cherry Duchess, who came on widely separated across the Course, to the Stand, when Cherry Duchess gave way, and immediately after Goater brought up the Christmas Pie colt with a rush, and, heading the pair, won a fine race by a head; a length and a half between second and third.

[Beatrix Esmond, a grand strapping filly by Fitzroland, and Cherry Duchess, a daughter of The Duke, were both very handsome and racing-like, and the choice between them from their,

looks alone difficult. Both were winners and both were penalized, the former with eight and the latter with four pounds extra. The favourite was a "dark" colt who lacked the quality of the two fillies.]

STOCKBRIDGE
Thursday 26 June

Fortunately for the visit of the Prince of Wales and the Grand Duke Cesarewitch to this "elysium of racecourses" the weather turned out more favourable than it promised to be in the neighbourhood during the morning, and there was a considerable increase in the general attendance, including a great many fashionables who were present at the Queen's state ball the night before.

The distinguished visitors travelled from London to Andover Junction by the ordinary 10.45 a.m. train, which was under the charge of Mr. Verinder,¹ the traffic superintendent of the South-Western Company, and, driving thence to the course in an open landau, drawn by four greys, arrived at the grand stand about half-past one o'clock, shortly before the termination of Mr. Tattersall's sale of blood stock. Accompanying the Prince and Grind Duke were the Duke of Beaufort and Mr. H. Chaplin, M.P., whilst a second closed carriage and pair contained General Probyn and Lt-Col Teesdale, in attendance on the Prince of Wales, General Stürler (Master of the Horse), General Zinovieff, and Count Olsouvieff, in attendance on the Grand Duke Cesarewitch. On entering the private enclosure of the Bibury Club stand the Duke of Beaufort presented the stewards of the meeting (Lord Falmouth, Mr. Crawford, and Lord Aylesford), as well as Mr. John Day, the lessee and clerk of the course, to their royal and imperial highnesses, in addition to Admiral Rous, Lord Portsmouth, and many other prominent members of the Turf; after which ceremonial the Prince and Grand Duke proceeded to the sale, which had been temporarily suspended.

Mr. Tattersall next had the honour of presentation to their royal and imperial highnesses, who watched the "knocking down" of the few remaining lots with much interest, and were not a little amused when a "native" bid ten guineas for a two-year-old whose merits Mr. Tattersall had most eloquently described a moment previously. After the first race the royal party partook of luncheon in the private stand, and remained on the course until just before the last race, when they took their departure, amidst loud cheering and waving of handkerchiefs, for Andover, en route to town. — The Morning Post

After a bright start for backers the day proved a disaster for them.

THE ANDOVER STAKES [2.00] (Handicap) of £5 each, with 50 added; to be ridden by members of the Bibury Club; gentlemen who have never ridden the winner of a flat race allowed 5lb. One mile.

Winner by St Albans — Laura

5/2 Laird of Holywell, 5/1 Druid, Protomartyr, 6/1 Ruffle, 7/1 Tynemouth.

Making use of his weight, Newhouse took Laird of Holywell in front directly the flag fell, and made such strong running that the lot soon presented a lengthy tail. The Druid lay second for about 200 yards, when Castalia, who was last off, rushed through her horses, and went on in attendance on the leader, clear of the Druid, who lay fourth, Tynemouth and Ruffle being next, and Protomartyr last. This order was maintained until within half a mile of home, when Castalia was repassed by Druid, and in the dip by Protomartyr and Raffle, who made up their ground descending the hill. The Druid died away at the distance to Proto-martyr, who challenged the favourite opposite the private stand, and won, after a bumping finish, by a head three lengths between second and third.

At the distance Couronne de Fer took up the running, and the Dulcimer colt giving way, with Blanchefleur and Beatrix Esmond (who was shut out at a critical moment), the race was

Bugler (inside) made play at a strong pace, followed by Blast, Suleiman, and Couronne de Fer, Memorandum lying next, and Birbeck bringing up the rear with the Lady Blanche filly who was soon tailed off. There was no change until within a quarter of a mile of home, when Blast retired, and Couronne de Fer pulled his way into second place, Birbeck at the same time improving his position on the inside. At the distance Couronne de Fer deprived Bugler of the lead, and won in a canter by three lengths; a head separated second and third. *Birbeck ran very ungenerously. Suleiman had been third in the Two Thousand Guineas.*

[Couronne de Fer, the only two-year-old with the exception of Dundee (also trained by Mat Dawson) that ever won the Cup carrying the extreme penalty of 12lb ; even Dundee's performance was cast into the shade by the present one, as Couronne de Fer won the rich Hurstbourne Stakes only an hour previously, beating the largest field of the meeting, which included several good public performers as well as one or two "dark "ones of some pretensions.]

STOCKBRIDGE

Friday 3 July.

Stockbridge & Bibury Club Meetings 1869 - 1878

As has been the custom this was another "Black Friday" at Stockbridge for backers. Five out of the six favourites failed to win, and Ruffle was a complete skinner for the books — apart from a solitary sovereign. Small attendance. Big future plans were mooted for the Hurstbourne including moving it to Friday, increasing the added money to £300, and to £500 if there are 100 subscribers. The Marquis of Ailesbury is the new steward for Stockbridge in the place of Mr. Crawford, whose term of office has expired.

THE WALLOP PLATE [1.00] of £50; gentlemen riders; jockeys 6lb extra. New mile.

[†] Formerly Chawles

11/10on (*op. 11/8on*) the Crytheia colt, 7/2 Vasco di Gama, 5/1 Macadam, 100/12 Roland Graeme

{Six good looking horses. The one that attracted most admiration in the paddock, as he did in his preliminary canter, was Roland Graeme, a grand looking son of Sydmonton, who moved over the ground with wonderfully fine action. Yet he was not fancied, curiously enough for Lord Portsmouth considered him backward, and odds were laid on the Crytheia colt.}

Misfit cut out the work, followed by Macadam and the Crytheia colt, Popinjay lying next on the outside, just in front of Roland Graeme, the last of all being Vasco di Gama, There was no change until reaching the half-mile post, when Misfit dropped away, and the running was taken up by the favourite, attended by Roland Graeme on the whip hand, and followed by Macadam and Vasco di Gama, the latter of whom looked like winning until rising the final hill inside the distance, which stopped him. Roland Graeme then challenged the favourite, and settling him without an effort, won in a canter by four lengths; half a length separated second

Tricotrin made play with a slight lead of Vanish to the distance, where the latter died away, and Namesake took second place. The race appeared to be reduced to a match between the pair until reaching the stand, when Ruffle came with a tremendous rush, and won in a canter by a length and a half; a length separated second and third.

{The surprise of the week was supplied by Mr. Hobson and Ruffle in the Welter Handicap, which was won easily by the Danebury cast-off in question, against whom, on the strength of his wretched exhibition the day before, all sorts of prices were offered from 100 to 3 downwards. The only bet laid against the winner was one of £40 to a sovereign by a bookmaker, who was anxious to "get his dinner" out of the horse!}

THE CUP: *The Stockbridge Cup is generally something worthy of the silversmith's art, and though "the Rape of the Sabines" has not much to do with Stockbridge Races as it was Lord Lonsdale's wish that a subject from Roman history should be chosen, this did as well as any other. The illustrations in alto-relievo are well executed perhaps the design of the sleeping figures of Romulus, Remus, and the Wolf, at the base, being the best.*

The Duke of Rutland obtained the lead for the first quarter of a mile through his jockey mistaking the course and cutting inside two posts, but after rounding the turn into the straight, when he changed his ground from the right to the left side of the course, Worcester took up the running, followed by Duke of Rutland, Afterthought, Tizona, and Confessor, in which order they ran to the distance, where Lady Atholstone and Sir Frederic joined the front, but the weight telling on the favourite she was disposed of in the next few strides. Opposite the stand Sir Frederic came with a rush, but failed to reach Worcester, who won a close race by a head; two lengths between the second and third.

5/2 Kaleidoscope, 4/1 Rubicon, 5/1 Hellenist, 100/15 the Ravioli colt, 8/1 Pluton, 10/1

Retrospect, Margarita.

Pluton, wide on the left, made play with a clear lead to the foot of the hill, where he was joined by Rubicon, close up with whom lay Kaleidoscope and Margarita on the far side, Hellenist lying next between Rubicon and Pluton, and Retrospect bringing up the rear with the Ravioli colt. The order was maintained to the distance, where Pluton died away with Kaleidoscope, and Hellenist hanging across Rubicon shut out the latter opposite the stand, before reaching which point Margarita took up the running. At the same instant Retrospect came through his horses with a rush, and a splendid race ensued which resulted in Margarita's favour by a head; a neck between second and third.

THE SECOND YEAR OF THE SIXTEENTH BIENNIAL STAKES [1.30] of £10 each, with £100 added; for

8/1on Earl of Dartrey.

Clarendon took a long lead when the flag fell, and retained it until rising the hill, when he began to come back to the others, who passed him after entering the straight, the favourite leading. Inside the distance, Town Crier made his effort, and appeared to have the best of it, but Earl of Dartrey ran the longest and won an exciting race by a head; a bad third.

THE HURSTBOURNE STAKES [2.00] of £50 each, h ft. with £300 added; for two-year-olds; the second saved his stake. Bush in. (41 subs.)

Coltness	Mr J H Houldsworth	2	8-7	T Osborne	6

7/4 Coltness, 4/1 King Death, Levant, 6/1 Julius Caesar, 10/1 the Polly Peachum filly.

Julius Caesar made the running a neck in advance of Levant, who was on the extreme right, and at the shoulders of the leader lay King Death and Coltness on the left, the last of all tailed off, apparently out of the race, being the Polly Peacham filly. The others ran almost abreast to the distance, where Coltness and Pulcherrima hang out signals of distress, and King Death took a slight lead of Levant and Julius Caesar, of which pair the first to retire was Levant, who hung very much all the way; the issue appeared to be left to the stable companions, until Cannon, who had been gradually improving his position, came with a tremendous rush on the Polly Peacham filly, and, getting up in the last stride, snatched the race out of the fire by a head; two lengths between second and third.

Knightley	Sir F Johnstone	a	14-0	Count Jaraczewsk	5

5/4on Lady Atholstone, 4/1 Lady of the Lake, 8/1 Chandos.

After one false start they got away in such straggling order that Knightley and Chandos were left several lengths in the rear, but the former soon pulled bis way to the front, and joining Aide-de-Camp and the two titled dames, who were racing abreast half way up the bend, entered the straight with a clear lead. Descending the hill Lady of the Lake took up the running, with Knightley and Aide-de-Camp in attendance, whilst wide on their left was Lady Atholstone, who came round the turn with a wide sweep; between her and the others Chandos showed prominently soon afterwards. The favourite was in trouble a quarter of a mile from home, when Chandos joined Lady of the Lake, and depriving her of the lead without being called upon won, hands down, by a length; a bad third.

BIBURY CLUB

Wednesday 28 June

Steward: Sir J D Astley

Handicappers & Secretaries: Messrs Weatherby

Glorious Summer weather ushered in the Hampshire week, and it was a pleasant sight, as the train took us along the fertile valley of the Test, between Southampton and Stockbridge, to see the hay "making itself," as the phrase goes, in the broiling sun and brisk breeze. The ground was a little harder than could be wished, but it is always very dead going over Danebury Down. The attendance was about the smallest we ever remembered on a Club day, but still most of the leading members were present, and it was only in the outside ranks that there was a falling off.

A HANDICAP SWEEPSTAKES [1.30] jockeys to ride of £10 each, with 100 added, for 3-yr-olds and upwards; winners extra. From the Bush In, about five furlongs.

Glenmarkie	Mr Terry	4	7-5	Newhouse	1
Pulcherrima	Sir G Chetwynd	3	6-0	Chesterman	2
Reeve	Mr W S Crawford	5	5-10	Gallon	3
Selborne	Sir J D Astley	4	6-3	J Jarvis	4
Tennyson	Mr H Padwick	3	6-7	Weedon	0
Mizpah	Mr W Bevill	3	6-0	F Jeffery	0

Winner by Lord Derby — Queen of Scotland

6/4 Glenmarkie, 5/2 Pulcherrima, 100/15 Tennyson, 8/1 Selborne.

Pulcherrima on the left made the running, followed in the centre by Glenmarkie, Reeve, and Tennyson to the foot of the hill. Here the latter was beaten; at the same time Glenmarkie quitted his horses, and came on and won in a canter by two lengths; a neck dividing the second and third.

{Glenmarkie was such a very good thing in the Handicap Sweepstakes that, with the exception of Pulcherrima, nothing else was backed; in fact, the favourite had the race at his mercy all the way, and won in a common canter. Tennyson, who had been rather fancied by some of the clever division, never being in it.}

THE CHAMPAGNE STAKES [2.00] of £10 each, with 100 added, for 2-yr-olds colts, 8st 10lb, fillies, 8st 7lb; winners extra. From the Bush in.

Placida	Mr Pulteney	2	9-1	H Jeffery	1
Sugar Loaf	Duke of Hamilton	2	8-10	Custance	2

c. by D'Estournel, dam by The Duke - May Morning	Mr Savile	2	8-10	J Goater	4

Nina	Mr C Alexander	2	8-7	Huxtable	6
Elsa	Lord Lacelles	2	8-7	Constable	7
Strenua	Sir G Chetwynd	2	8-7	F Webb	8

Winner by Lord Lyon — Pietas

7/4 Sugar Loaf, 4/1 Winifred, 100/15 Nina, 8/1 Placida, 10/1 Nina, the May Morning colt.

Sugar Loaf, on the lower side, jumped away with a slight lead of Nina, Winifred, and English Archer, with Placida wide on their right next the rails. They ran in these positions to half way up, when Placida was seen drawing to the front, and, heading the favourite at the distance, won with great ease by a length and a half; three lengths between second and third.

{The best looking of the young ones in the paddock as they were saddled for the Champagne Stakes was Sugar Loaf, a French-bred one of the Duke of Hamilton, small, but with a good deal of power, and the best goer of the lot was Placida, a winner at Odiham the previous day, and who now carried an 8lb. penalty. Sugar Loaf was the favourite, and appeared to have the race in hand before coming to the Stand, where Placida shot out on the lower ground, and won very easily by a length and a half.}

A SELLING WELTER PLATE [2.30] of £100. Old Mile.

Snowdrop	Mr A Yates	6	12-2	owner	1
Lord Dover ‡	Mr C S Hardy	5	12-2	Mr W Bevill	2
Fleurange	Mr F G Hobson	4	11-11	owner	3
Plebeian	Mr T Stevens	3	10-13	Mr Crawshaw	4

Winner by Carlton — Emerald, sold to Mr J Potter for 125gs.

‡The returns show 'Lord Dover' in places and 'Lord Derby' elsewhere.

All horses were entered to be sold for £50.

2/1 Snowdrop, 100/45 Lord Derby, 5/2 Plebeian.

Plebeian made play, followed on the left by Lord Derby and Snowdrop into the dip. Here Plebeian was in trouble, and Lord Derby was then left with a slight lead of Snowdrop, which he retained to the Stewards Stand, where the favourite challenged and a good race by a head; a bad third.

Kidbrooke	Sir G Chetwynd	6	12-11	Mr R Herbert	r. o.

Stockbridge & Bibury Club Meetings 1869 - 1878

Winner by Brown Bread — Jane.

9/4 Broadside, 4/1 Edward the Third, 6/1 Spartacus, 8/1 sister to D'Estournel, 100/8 Confessor. They had no sooner quitted the starter than Kidbrooke exhibited his usual temper and bolted the contrary way, and was at once out of the race. The running was taken up by Broadside, who slipped his horses, and came on with a lead of a dozen lengths of Edward the Third and Spartacus, succeeded by Confessor and St Bees. They ran thus to Bushes hill, where Spartacus joined issue with Edward the Third, the pair running side by side in the rear of the favourite to the distance, where Spartacus quitted his companion, but failed to reach the leader, who won in the commonest of canters by half a dozen lengths.

{The Bibury Stakes was a runaway race such as is rarely seen, for Broadside, the favourite, took the lead as soon as the flag fell, and soon putting half-a-dozen lengths between himself and his field was never approached, and cantered in half-a-dozen lengths before Spartacus. Broadside has much improved since Hampton, where he ran very badly and the issue of the race shows what can be done in three or four days by judicious treatment.}

MATCH [3.30] of £200 h ft. 4 furlongs.

Capillaire	Sir G Chetwynd	2	8-12	F Webb	1
Sweetheart	Duke of Hamilton	2	9-0	Custnce	2

2/1on Capillaire

Sweetheart allowed Capillaire a small lead to the stands and was pulling double over his opponent but in a driving finish failed to get up by a short head.

{There was a wonderfully fine match between Capillaire and Sweetheart over the half-mile course, where Custance brought up the latter and challenged so resolutely that Webb only just landed by a head, about the closest thing that we have seen for some time, and the layers of 2/1on Capillaire did not feel easy until his number was hoisted.}

THE EIGHTEENTH BIENNIAL STAKES [4.00] of £10 each, with £100 added; for two year olds. T Y C (58 subs)

Courtesy	Sir G Chetwynd	2	8-7	F Webb	0
Norwich	Mr Crawford	2	8-12	Parry	0
Chesterfield	Mr F Hardinge	2	8-9	Loates	0

Winner by Citadel — Plunder

2/1on Warren Hastings, 8/1 Sugar Loaf, 100/8 Go-Bang, 100/7 Courtesy

The first and second had it between them from the distance, but Warren Hastings was always in charge and could won further than the length he was credited with; two lengths between second and third.

{From the form shown by Warren Hastings in his previous races, the Eighteenth Biennial

Stockbridge & Bibury Club Meetings 1869 - 1878

looked at his mercy - in fact, there was nothing else in reality backed, and the 3lb. allowance to Sugar Loaf hardly induced the Duke of Hamilton to trust him with anything. The favourite won easily enough, and though Sugar Loaf managed to get within a length of him, Mr Rayner's handsome colt won very easily.}

The Scurry Welter [4.30] of £5 each, with 100 added; jockeys 7lb extra; winners extra. Six furlongs (9 subs.)

Chypre	Sir George Chetwynd	4	11-5	Mr Crawshaw	1
Aristocrat	Mr T Cannon	3	10-8	Mr A Coventry	2
Raby	Mr Harway	3	12-2	Mr A Yates	3
St Bees	Lord Lonsdale	3	11-0	Custance	4

6/4 Chypre, 5/2 Aristocrat, 5/1 Raby

St Bees was never a factor. At the rails the leader, Raby, shortened stride and Aristocrat and Chypre went on. In a tight race Chypre won by a neck. No bid for the winner.

A PLATE [5.00] of £50 Bush in. Abt 5 furlongs.

Two runners were declared for this race: Selborne [£100] and Mayfair [£50]. However it appears not to have been run.

STOCKBRIDGE

Thursday 29 June

Stewards: Earl of Lonsdale, Marquis of Ailesbury & Sir G Chetwynd

Judge: Mr J F Clark Starter: Mr M'George Clerk of the Scales: Mr Manning

Clerk of the Course: Mr John Day

Going: Excellent

A cooling breeze swept over the Downs this morning, and made the day more enjoyable even than the previous one. There was a large company too, for the Stockbridge Cup day is a Hampshire festival, especially among the county gentry.

JOHNSTONE PLATE [2.00] Handicap of £100; winners extra. T.Y.C.

Winner by St Albans — Peri

7/4 Glenmarkie, 4/1 Mr Winkle, 6/1 Monarch, 10/1 Knightley, 100/9 Beechnut, 100/8 Victorian. Pulcherrima, with Beechnut at her quarters, got away with the running clear of Knightley,

Stockbridge & Bibury Club Meetings 1869 - 1878

Monarch, and Beechnut, with Mr Winkle and Glenmarkie in the rear. They retained these positions into the rails, where the two last-named drew up to the leaders, and as they reached the distance the pair drew away, and, with Monarch in attendance, finished the race home; Mr. Winkle, who always had a trifle the best of it, winning cleverly by a neck from the favourite; a length and a half between second and third.

{Glenmarkie, seeing the very easy way he won on Wednesday, looked a pretty good thing, even, with his 7lb. extra. Mr. Winkle was asked to give him 18lb, and over a course which the Glenmarkie was not supposed much to like, but he was equal to the occasion this afternoon, for he had the foot of the younger horse all the way, and won cleverly by a neck.}

THE DANEBURY PLATE [2.30] of £100, for 2-yr-olds; colts, 8st 12lb; fillies and geldings, 8st. 9lb; half a mile, was declared void.

BEAUFORT HANDICAP [3.00] of £200, added to a sweepstakes of £20 each, 10 ft; winners extra. One mile and a quarter. (24 subs. 13 of whom declared.)

Bowstring	Mr W S Crawford	3	6-4	Gallon	5
Lilian	Mr Savile	a	8-12	Goater	6
Strayaway	Mr T Cannon	3	6-7	Watts	7

Winner by Mariner — British Queen

3/1 Tiber, 7/2 Lilian, 11/2 Worcester, Bourbaki, 8/1 Town Crier, 10/1 Bowstring.

Lilian made play, clear of Worcester, Bourbaki, Bowstring and Tiber, with Strayaway and Town Crier in the extreme rear. They ran thus to the turn, rounding which Tiber ran wide but was immediately after got straight, and came up the hill with a lead of a dozen lengths of Bowstring, who was closely attended by Lilian, Worcester, and Town Crier, with Strayaway tailed off. On entering the rails, Bowstring was leading, and Bourbaki and Town Crier at the same time joined issue with the leaders, but on passing the distance Lilian gave way, when Tiber drew away and won by three parts of a length, a similar distance dividing the second and third.

{After luncheon the Beaufort Handicap, a mile and a quarter, with, old Lilian top weight, looked about her distance. She opened favourite, but went back in the betting on the Tiber party backing their horse, and in the race was done with by the time she had gone half a mile. Before this Tiber had rushed to the front with a clear lead, and though Bourbaki and Town Crier came through their horses and lessened the distance, Tiber won cleverly at last.}

ANDOVER STAKES [3.30] Handicap of £5 each, with 100 added. Old Mile. (10 subs.)

Stockbridge & Bibury Club Meetings 1869 - 1878

Winner by Gladiateur — Rose of Kent

6/4 Confessor, 9/4 Spartacus, 5/2 Edward III.

Spartacus forced the running with a decided lead of Edward III, with the favourite lying off, until they reached the distance, when he became second, but was never able to head the leader, who won with great ease by three-parts of a length.

{In the Andover Stakes, Archer, on Spartacus, slipped his horses at the start, and though Mr Crawshaw tried all he knew on the favourite, Confessor, he could never get up, and was beaten by three-parts of a length.}

Winner by Ely — Sister to Little Lady

7/2 Victoire, 5/1 Lincoln, 11/2 Mayfair, 6/1 King of Hearts, 8/1 Selborne, 100/7 Snowdrop.

King of Hearts was the first away, and came on with a slight lead of Victoire and Lapwing, with Lincoln and Snowdrop on their left at the head of the others. They retained their relative positions to the distance, where Lincoln came through, and, heading King of Hearts at the Stand, won very cleverly by three parts of a length; a length and a half between second and third.

{Picking the winner in the All Aged Plate, with its dozen runners, was difficult, but Victoire was made favourite at last, after some nibbling about King of Hearts and Lincoln. Lincoln, whose first appearance it was this year, showed he had still a race left in him by taking the lead half-way up the distance and winning cleverly by three-parts of a length.}

5/4on Springfield.

They had no sooner quitted the post than Springfield rushed to the front with a slight lead of

Stockbridge & Bibury Club Meetings 1869 - 1878

Lowlander, the two being a couple of lengths in advance of the 2-yr-olds. They ran thus to the distance, where Lowlander closed with the favourite; immediately Osborne called upon Springfield he left the other horses as if standing still, and won in a canter by three lengths, with the others beaten off.

{The Cup is the feature of the Stockbridge first day; and this year the meeting of Lowlander and Springfield made the race quite as interesting as any of its predecessors. Lowlander was on his own particular course but the form Springfield had shown at Ascot with Rosbach made him favourite. Still there was plenty of money behind Lowlander, and though we have seen many good horses stand still on this dead ground, we hardly expected to see such a horse as Lowlander in such difficulties as he was. He could not struggle when Custance called upon him, and Springfield, who had made most of the running, won easily by three lengths.}

Strayaway cut out the work ahead of Victorian, sister to D'Estournel, Strathallan and Lord Dover. Strathallan was beaten half way down the hill and Lord Dover improved his position, but faded at the distance — the favourite also being in trouble at that point. Victorian took the lead won very easily in the end by five lengths; a bad third.

Stockbridge & Bibury Club Meetings 1869 - 1878

The fast away Broadside led Morning Star, Zee and Kaleidoscope to the turn-in where Kaleidoscope improved and with Morning Star challenged at the rails with Zee, on the inside also in the race. At the distance Broadside began to roll and Kaleidoscope took up running and won easily by three-parts of a length; the same separated second and third.

At the foot of the hill Polly Craven and The Rover were beaten, and soon after Placida, Blue Riband and Warren Hastings also capitulated resulting in a match between Chevron and Palm Flower with the last named getting first run and winning by a neck; two lengths between second and third.

[The Rover was purchased as a yearling at to Cobham sale for 1,800gs, a bad bargain as he has grown into a weak frame, with stilty fore legs and bad joints and he was the first horse beaten here.]

BIBURY CLUB

Wednesday 27 June

Steward: R Herbert Esq.

Clerk of the Scales: Mr Manning Judge: Mr J F Clark Starter: Mr M'George

Treasurers & Secretaries: Messrs Weatherby

Next to Newmarket, there is no place where racing in peace and quietness can be enjoyed more than here. The weather was delightful, the going excellent.

The Club Day at Stockbridge seems gradually but surely dying the death - going the way of its crack gentlemen jocks, the Pellatts, the Littles, and the Edes, who won laurels over this and the original Bibury course when amateur riding was more fashionable than it is now.

Moderate attendance, even for a Club day.

MAIDEN STAKES [1.45] of £5 each for starters with 100 added for maiden two years old at naming; colts 9st; fillies 8st 11lb; untried horses or mares allowed 3lb; winners after 10am 19 June [day of naming] once 10lb; twice 14lb extra; jockeys to ride. T.Y.C. (5 subs. £120)

King David	Lord Hardwicke	2	9-0	T Cannon	1
Gamsjager	Duke of Montrose	2	9-0	Killick	2
The Archer	Mr Chamberlayne	2	8-9	H Jeffrey	3
Glen Emma	Mr H J Smith	2	8-8	Morris	4
Bonnie Dundee II	Mr Gosden	2	9-0	J Goater	5

Winner by King of the Forest — Atonement

5/2on King David.

King David took them along with a clear lead of Gamsjager, The Archer third the others in the rear. They ran thus for half a mile, when Glen Emma took third place on the outside of Gamsjager, and the pair drew up to join the favourite; Glen Emma died away before reaching the Stand, where Gamsjager drew almost level with King David but fitness told and the favourite went on to win easily by a length; a bad third.

THE BIBURY STAKES [2.15] [Handicap] £10 each h. ft. 100 added, the second saved his stake; winners after 10am 21 June 5lb; of any handicap 7lb extra; gentlemen who have never ridden a winner of a flat race allowed 5lb; jockeys 7lb extra. Last mile and a half. (16 subs. £195)

7/4 Hellenist, 5/2 Empress, 6/1 Clavileno, Teuton.

Teuton, Empress and Hellenist led for two furlongs where Idle Girl and Clavileno went on. At the mile post Hellenist took Idle Girl's place with Clavileno third and Empress fourth; so they ran to the straight where Clavileno joined Teuton, Hellenist and Empress improved to level with the leaders and a splendid race ensued with Empress getting home by a neck; a head between second and third.

Winner by Speculum — Lacy's dam

5/2 Conflict, 3/1 Palm Leaf, Quicksilver, 4/1 the Brigantine colt.

Quicksilver jumped off with a lead of Conflict, Palm leaf, Brigantine c and Last of the Mohicans to the dip where shortly Brigantine c and Last of the Mohicans were beaten; Conflict tired at the distance, and Palm Leaf got in front by a length but was caught again close home by Quicksilver who won by a length; a bad third.

The trainer of Palm Leaf was fined £1 for running in wrong colours. Mr Gerard's 'normal' colours being: pink and white stripes.² William Cansfield Gerard, 1851 – 1902, later Lord

² On 28 Sep 1877 at a Jockey Club meeting a new rule was introduced to force the registration of colours, thus giving the Jockey Club and Weatherbys a new revenue stream; the new rule was as follows:

"Any person running a horse in colours other than those registered in his own name, without a special declaration overnight to the clerk of the course (at a time to be prescribed) shall be fined not less than 1 sov. nor more than 10 sovs. Racing colours shall either be declared annually at the

Gerard {1887} and Jockey Club member.

[The Biennial hardly brought out the field we are accustomed to see, though there were one or two good bred ones among the half-dozen, especially the colt by Rosicrucian - Brigantine and Conflict, a daughter of King of the Forest and Battaglia. This sounded like racing, and the latter filly looked like it too. She was apparently made for speed, and the Danebury people were very fond of her, but she was one of the first beaten, and Quicksilver, who has won two or three good races at Newmarket, in one of which she was beaten by Dalgarno by a head, and in another made a great finish with Bel Ange, won here very cleverly. Palm Leaf looked once dangerous, but died away in the last few strides. The Duke of Beaufort's colours,³ long absent from the Turf, were seen again in this race, on a son of Master Fenton and Ischia, who was in front coming down the hill and finished fourth.]

A HANDICAP SWEEPSTAKES [3.45] of £10 each for starters, with 100 added; jockeys to ride; for three year olds and upwards: winners of a handicap after 10am 21 June 7lb extra; from the Bush in, abt. five furlongs (4 subs. £130)

Winner by Beadsman — Columba

2/1on Dovedale, 5/1 Freemantle, 6/1 Granada, 10/1 Tennyson.

Freemantle had the lead to the stand where Dovedale challenged and went on to win cleverly by three quarters of a length; a neck between second and third.

THE SCURRY WELTER [4.15] (A Selling Handicap) of £5 each, with 100 added if 5 start; for three year olds and upwards; gentlemen who have never ridden the winner of a flat race 5lb; jockeys 5lb extra; winners after 10am 21 June 7lb extra; the winner to be sold at auction for £300; jockeys 7lb extra; one mile (5 subs. £120)

The Clown	Sir G Chetwynd	4	11-8	Parry	3

Winner by Lord Clifden — Jung Frau

5/2on Hellenist, 3/1 Teuton.

Teuton, took a clear lead at flag fall, and made running on sufferance to the dip where Mr. Crawshaw closed and reached the leader's head at the Stand. Teuton who had been eased recovered the lead fifty yards from home and won by three-quarters of a length, a bad third.

registry office, and a fee of 5s. paid for registration, or a fee of 1 sov. may be paid for the life of the person registering. All disputes as to the right to particular colours shall be settled by the Stewards of the Jockey Club." This rule not to come into operation until 1888, and confirmed unanimously. Thus the bureaucratisation of racing gathered pace. In 1879 Jockeys had to be licensed and "that if any were proved to be the owner, or part owner, of race horses, "or in the habit of betting," his license might be withdrawn at the discretion of the Stewards."

Trainers escaped this nonsense till 1905.

3 Blue and white hoops, red cap. His colours were painted on the roof timbering of the Bibury Stand.

2/1 Palm Leaf, Miss Ellen, 9/2 Thistle, 6/1 Undine, 100/8 Bourgogne colt.

They ran in line with Undine as leader, into the dip, where Miss Ellen was beaten and Undine was passed by the first three who ran a good race home, Thistle winning by a neck; a length between second and third.

The trainer of Palm Leaf was fined £1 for running in wrong colours.

Rookwood dislodged Mr Owen and had a pre-race gallop. At flag fall Ixion took them along at a slow pace. At the turn in Dwina drew up and gained the lead but ran off the course into the crowd [fortunately without causing injury]. In the match that ensued Rookwood won easily by several lengths.

STOCKBRIDGE

Stewards: Marquis of Ailesbury, Sir George Chetwynd & Hon W Gerard
 Judge: Mr J F Clark Starter: Mr M'George Clerk of the Scales: Mr Manning

A few years ago on Cup day the lawn was like a small Goodwood. It has not been so brilliant lately, but today the show was a fair one, though we have seen the Club Stand fuller. The weather was superb.

2/1 The Clown, 9/4 James Pigg, 100/15 Young Sydmonton, 8/1 Grenada

Albion planted himself at the start and did not race. Old Fashion made play, followed by James Pigg and Granada, Fremantle lying fourth, The Clown a fifth, and Young Sydmonton who broke down soon after starting, last. In the straight The Clown joined the three leaders and they ran together into the dip, whence the two favourites came away with The Clown winning by a neck; a bad third.

THE BEAUFORT HANDICAP [2.30] of £20, each, 10ft. and 3 only to the fund if declared by June 19th, with 200 added; one mile and a quarter (24 subs. 17 of whom declared ft. £310)

Caesarion	Lord Alington	3	7-3	F Jeffery	1
Cartridge	Mr G Payne	3	6-10	Gallon	2
Clavileno	Lord Hardwicke	3	6-10	Willis	3
Worcester	Mr I Bates	5	8-3	Glover	0
Tea Rose	Mr Bignell	3	6-6	Pugh	0
Timour	T Cannon	5	8-9	owner	6

Winner by Julius — Quality

2/1 Timour, 5/2 Cartridge, 100/30 Worcester, 7/1 Clavileno, 8/1 Caesarion, 20/1 Tea Rose.

Caesarion and Clavileno made running for a quarter of a mile, when Caesarion took a lead, and Clavileno showed half a dozen lengths in advance of Worcester, Timour, and Tea Rose: the last of all being Cartridge, who seemed unable to go the pace. In the straight, Cartridge improved his position, and drawing up with Timour they joined Caesarion — Clavileno and Worcester were done with in the dip. Timour did not try when called on, and Cartridge failed to reach Caesarion who won in a canter by four lengths; a bad third.

Winner by Scottish Chief — Masquerade

5/2 Strathfleet, 9/2 Sir Kenneth, 5/1 Harpocrates II, 6/1 Thornham, Postman, 10/1 Strathblane.

Stockbridge & Bibury Club Meetings 1869 - 1878

After the way in which Strathfleet had been backed for the New Stakes at Ascot it was fair to suppose that there was something very wrong in her running in that race, and that she would wipe out her defeat here in the Mottisfont. The other runners who were backed were Postman, a promising looking brother to Post Haste, Sir Kenneth, and Harpocrates II, the latter a very good mover. The race: Thornham, Strathblane and Harpocrates II showed the way to the top of the hill where Catherine Seton joined them and went on in the straight. Four furlongs out Postman almost got to the front; the last two being Strathfleet and Sir Kenneth. At the distance Harpocrates and Strathblane were beaten but Strathfleet who had been making steady progress joined Catherine Seton and Thornham and a splendid race ensued Strathfleet winning by a head; a length between second and third.

THE STOCKBRIDGE CUP, [3.30] value £300, by subscription of £10 each, the surplus divided between the second and third; the winner paid £10 towards expenses; T.Y.C. (46 subs. £280)

Trappist	Capt Prime	5	9-9	F Archer	1
Lollypop	Duke of Hamilton	4	9-1	Custance	2
Ecossais	Mr Jennings	6	9-6	J Goater	3
Avontes	Mr W S Crawford	3	8-8	T Chaloner	4
Conflict	Lord Hardwicke	2	5-13	Gallon	5

Winner by Hermit — Bunch

11/8 Ecossais, 6/4 Trappist, 8/1 Lollypop.

There was a good deal of interest attaching to the meeting of Trappist and Ecossais in the Cup, the former giving the son of Blair Athol 3lb. Ecossais always has beaten Trappist, but here the former was on a course just a little too far for him, and a very severe one to boot. Ecossais made play, but Trappist in the straight assumed the lead, and Ecossais being done with before they reached the Stand, Captain Prime's horse easily stalled off Lollypop and won by three parts of a length; a bad third. Conflict was last all the way.

{The cup: supplied by Messrs Hunt and Roskell, is a silver two-handed bowl, richly decorated with wreaths of flowers and panels in high relief representing the ancient chariot race and modern horse race. At the corners of the base are models in silver of Cannon, Chaloner, and Custance, to whom will be added F Archer, who rode the winner, having travelled all night from Newcastle with F Webb, where the latter won the Northumberland Plate yesterday, for which Archer has now been on the second three years successively.}

Stockbridge & Bibury Club Meetings 1869 - 1878

Dovedale went rather lame apparently in her canter, for the Johnstone Plate, but she went well enough in the race when Archer called on her, and she beat the bottom weight, Central Fire, by a head; a bad third.

Gilda made play to the distance, where the Rapine filly, who had been held up, challenged, and getting the best of it opposite the stand, won by a length; half a length between second and third. The winner was sold to Mr Leleu for 310gs.

STOCKBRIDGE

Friday 29 June

Favoured with the brilliant weather we are now enjoying, the last of the three Hampshire days has passed off with something like *eclat*.

Stockbridge & Bibury Club Meetings 1869 - 1878

4/1on Lollypop, 100/12 Beechnut, 10/1 Monte Carlo.

Lollypop was such a certainty for the Anglesea Plate that there was no betting - at least, we do not think any one cared to lay 4/1 on him. In the race Lollypop allowed Beechnut to show the way to the distance where he went on a won in a canter by two lengths; three lengths between second and third..

6/4 Catherine Seton, 5/2 Centenary, 4/1 [*op. 3/1*] Industry.

Another of those "mistakes" common to so many establishments was made in the Troy Stakes - the favourite being beaten by his stable companion, the outsider of the lot. Industry, bred by Mr H Chaplin, who was purchased for 1,950gs. The race: Industry was the first to show followed by Catherine Seton, Century, Cean Mohr with Boundary f in rear. Inside the distance the leading three closed together and in a pretty race Industry prevailed by half a length; a neck between second and third.

2/1 Rylstone, 5/1 Post Haste, 6/1 Helena, 100/15 Sugarloaf, 8/1 Sheldrake, 10/1 Collingbourne. Sheldrake established an early clear lead over Collingbourne, Post Haste and Rylstone who raced together. At the mile post Post Haste dropped back to fourth and immediately Collingbourne went on as they climbed the hill; at the turn-in Rylstone went to the front. On the descent Collingbourne was beaten and Post Hast and Sheldrake joined Rylstone. At the stand Sheldrake was beaten and Helena, who had been making steady progress on the stand side passed Post Haste but could not get to the favourite who won by half a length; the same between second and third..

Winner by Blair Athol — Wheat-ear † Later Thoughtless

9/4 Crucifix, 11/4 Bellicent, 4/1 Attalus, 100/15 Redwing, 100/8 Harpocrates II.

A more than usual interest attached to the Hurstbourne, because there were rumours that Danebury had really got a flyer, and that, too, in a second Crucifix [bred by Mr Chaplin and bought for 1,550gs.] - a daughter of Hermit and Salamanca, who was to emulate the deeds of her great namesake. Two to one was eagerly taken about her. **The race:** After a false start Crucifix made the running, followed by Redwing, to the dip when Lord Falmouth's filly, depriving her of the lead, went on, Crucifix soon after being beaten, Redwing won very cleverly by a length from the Liverpool's dam colt; a neck separated second and third.

A SELLING PLATE [3.00] of £100, added to a Sweepstakes of £5 each; the winner to be sold by auction for £100. If entered to be sold for £30 allowed 7lb; T.Y.C. (7 subs. £130)

100/30 Worcester, 4/1 Clavileno, 5/1 James Pig, 11/2 The Clown, 7/1 Bon Bon.

Clavileno, who, after his wretched displays on the two previous days, was not trusted with a shilling. **The race:** Bon Bon took them along followed by James Pigg, The Clown and Hellenist. Thus they ran to the straight where Hellenist was beaten and Clavileno and Worcester joined the leaders. Worcester was soon beaten and Clavileno joined Bon Bon and went on to win easily by a length and a half; three parts of a length between the second and third.

BIBURY CLUB

Wednesday 3 July

Steward: The Duke of Hamilton

Judge: Mr J F Clark Starter: Mr M'George Clerk of the Scales: Mr Manning
Clerk of the Course: Mr John Day

In much cooler temperature, the dust well laid, and the going good, the Hampshire Week,⁴ as it is sometimes called, commenced under favourable circumstances. The Attendance was rather small, but the sport was of an average character, neither better nor worse than we have been accustomed to see. The Club stand was well filled with representatives from the county side of Hampshire, and the London and Southampton specials brought good freights. The sojourners at the latter place are indebted to Mr Verrinder,⁵ the traffic manager of the South Western, for the expediting of the trains between it and Stockbridge, enabling them to get back to dinner at a more decent hour than formerly.

MAIDEN STAKES [2.00] of £5 each, with 100 added, for maiden two-yr-olds; colts 9st.; fillies 8st 11lb. T.Y.C.

Shoestring	Lord Calthorpe	2	8-8	F Archer	1
Jordan	Lord Hartington	2	9-0	J Goater	2
Mr Dodd	Lord Anglesey	2	9-0	T Cannon	3
c. by Costa - Miss Camerino	Mr W Genge	2	9-0	Clement	4

Winner by Knight of the Garter — Bowstring

75/40on Shoestring, 5/1 Jordan, 6/1 Mr. Dodd.

Mr Dodd made play clear of the Miss Camerino colt, with the other two following close in their wake. On entering the dip Mr Dodd gave way, and for a stride or two Jordan held possession of the lead, he was then headed by the favourite, who came on, and won in a canter by three lengths; a bad third.

BIBURY STAKES [2.30] (Handicap) of £10 each, h. ft., with 100 added; last mile and a half. (21 subs.)

4 Odiham raced on the Tuesday and some professionals would make a week out of these meetings. The Odiham meetings [Bartley Heath], although held since 1774 were not an annual event by any means and their final meeting was 24 Jun 1879. On that day, thanks to the heavy rain that had been experienced for several days, the course was described as 'terrible' and the going hock deep. Mr W Lowe had the doubtful honour of riding the last winner Mr W G Stevens' Euterpe [6y 11-0 to be sold for £50] in the Open Hunters' Plate [flat race] of £40; they finished forty lengths and more ahead of his seven rivals. 'The Talent' got it right as Euterpe was 2/1 favourite.

5 Mr Verrinder, whom we have met before in these pages [in an alternate spelling] was Edgar William. He married, Marriages Mar 1871 White Mary Woods St Geo H Sq 1a p476. He died [intestate] at Holly Lodge St John's Hill S. W. on 23 July 1893 aged 56. The value of his estate was £13,221 11s 2d nett.

Winner by Consul — Lionba

9/4 Leopold, [*op 7/4*] Euxine, Bab at the Bowster filly, 5/1 Helen Mar.

They quitted the post in a body, but they had scarcely run a dozen strides, when Helen Mar went on with a lead of half a dozen lengths of the Bab-at-the-Bowtser filly, close up with whom followed Leopold and Euxine side by side to the turn, where Mr Chaplin's filly dropped into the rear, and Euxine ran into the second place. On rounding the hill turn Leopold headed Euxine, and waited upon Helen Mar into the rails. Here the leader was beaten, leaving the Frenchman with the lead, which he retained to the end, and won by half a length; a bad third.

3/1 Centaur, 100/30 [*op 9/4*] Retribution, 5/1 Little Bird, Xantho, 8/1 Lady of the Forest.

Xantho [*inside*] got away with a slight advantage of Retribution, Little Bird, and Centaur, in which order they ran to the enclosure, where Reflection drew up to the leader, and for a stride or two appeared to hold his own, but Xantho coming again, shook him off and won a good race by a neck; three lengths separated the second and third.

CHAMPAGNE STAKES [3.30] of £10 each, with 100 added, for two-yr-olds, colts 8st 12lb, and fillies 8st. 9lb; from the Bush In. (27 subs.)

Winner by Joskin — Queen Mab

6/4on, [*op 7/4on*] the Saratoga colt, 100/15 Elf King, 7/1 Thundercloud, 8/1 Gourmet.

They got away in close company, but, after running a few strides, Elf King, stands' side, took the lead, and was followed by Gourmet, the Ravioli filly, and Sylvia in a body, with the favourite in the rear. With the exception that the Ravioli filly and Sylvia changed places opposite the Stand, no change occurred, the leader holding his own to the end, and winning easily by a length; a similar distance separated the second and third.

[Mr Swindell supplied the favourite for the Champagne Stakes in a colt by Knight of the Garter

Indeed, his stable thought he could not be beaten, and "6/1, bar one," was freely offered. The Elf King, a very good looking son of Joskin, who had been favourite for the Biennial at Bath, where he ran very badly, was second favourite, and with Archer up he came away from the start, was never headed and won very cleverly by a length, the favourite, who was first beaten, finishing last.]*

Leopold made the running, attended by Brown Archer and The Reeve, Little Harry and Sir Kenneth lying in the rear till coming into the straight, where Sir Kenneth took second place, but soon fell behind, and The Reeve passing the favourite at the distance, drew away, and won easily by two lengths; a length between second and third.

Alcazar	Mr C J Curtis	3	7-12	Willis	3

Winner ch g by Blair Athol — Margery Daw

9/2on Lollypop, 5/1 Ecossais, 100/3 Alcazar.

The favourite and Ecossais ran side by side for about a couple of hundred yards, when Ecossais drew to the front, and going on, won by two lengths; a bad third.

[Lollypop was always thought to prefer five furlongs to six furlongs, and so, when orders were given to Custance to come along with him from end to end every one expected that Ecossais would soon have cried enough. But Lollypop was never able to make the running, and, to the surprise of every one, Ecossais led coming up the straight, and, the favourite being beaten before reaching the stand, Ecossais won very easily by a couple of lengths. Here was form reversed after a most singular fashion. One of the finest judges of racing remarked in the paddock just before the race that it was "impossible" for Ecossais to beat Lollypop.]

THE ALL-AGED PLATE [4.15] of £100, added to a Sweepstakes of £5 each; two year olds 7st 7lb.; three 9st 5lb.; four 10st.; five and upwards 10st 3lb; mares and geldings allowed 3lb; the winner to be sold for £100. Bush in.

Opposite the Stand Altyre was, however, soon beaten, and Littlehampton going along, won easily by two lengths; a bad third.

STOCKBRIDGE

Friday 5 July

The sport on the concluding day, with its half-dozen events, small fields, and a walk-over for the Troy, must be considered poor, and what with the in-and-out running of the three days, and the consequent bad time for backers which, we may remark, continued to the end - the Hampshire week is likely to leave an evil savour behind it. The weather has been delightful - so much we may put to the meeting's credit; but for the rest, pleasant as are Danebury Downs, the Bibury Club, the stroll in the paddock, the lawn, and the luncheons, the entertainment left much to be desired.

WALLOP PLATE [1.00] (Handicap) of 100 guineas. New Mile.

Winner by Young Melbourne — Lady Mary

9/4 Sir Kenneth, 100/30 Matterhorn, 7/2 Post Haste, 7/1 Hyndland, 100/8 Caesarion, 100/3 Evening Star.

Evening Star showed the way, taking a clear lead of Hyndland, Sir Kenneth, and Post Haste, with Matterhorn at the head of the others. On rounding the turn on Bushes Hill, Evening Star bolted, leaving Hyndland on the right with a slight lead of the favourite and Post Haste; but on

Stockbridge & Bibury Club Meetings 1869 - 1878

entering the dip Sir Kenneth was beaten, leaving the issue with the two, who finished a slashing race home, Hyndland winning in the last stride by a head; three lengths between second and third.

[Hyndland ought to have been backed, as Mr. Bevill won on him so easily over the same course on Wednesday; but that is one of the things that "the talent" often miss.]

SELLING WELTER PLATE [1.30] of £100. Six furlongs.

Winner by Ethelred — Esther's dam, sold to Mr Yates for 50gs.

^x £50, ^z £100 selling price.

2/1 Marine, 9/4 Brown Saxon, 100/30 Matterhorn.

Marine, in company with Le Promeneur and Brown Saxon, made play into the Dip, where the first named was beaten, leaving Promeneur in advance, closely attended by Brown Saxon and Matterhorn to the distance. Here Marine retired, and the three then closed and ran locked together to the end, Brown Saxon, who ran the longest, just winning by a neck; a head between second and third.

Chalumeau	Count F de Lagrange	2	8-9	Goater	6
Wifey	Mr Crawford	2	8-9	Fordham	7
Ringleader	Lord Falmouth	2	8-12	F Archer	8

Winner by Stirling — Countess Agnes

3/1 Caxtonian, 5/1 Ringleader, Melon, 6/1 Whackum, Garswood.

They were despatched at the first attempt. Gourmet, with Melon at his quarters, made the running, closely attended by Whackum, Ringleader, Garswood, and Caxtonian into the dip. Here Gourmet dropped away, leaving Whackum in advance; at the same time Cannon brought up the favourite, and taking a decided lead half-way up, came on and won in a canter by three lengths; a dead heat for second place.

[Caxtonian was the favourite. Ringleader and Melon being also supported, while there were a few investments on Whackum. Caxtonian won so easily that his performance says much for the excellence of Scapegrace, who beat him easily the previous day. And yet, strange to say, the Scapegrace stable did not much fancy their horse either time he ran.]

Winner by Pero Gomez — Zelica

Evens Alcazar, 6/4 the Bab-at-the-Bowster filly, 4/1 Pero.

Alcazar made the running, followed by Pero, for six furlongs, when the Bab-at-the-Bowster filly raced to the head of affairs, and held a clear lead until fairly in the line for home, when the three closed, and a good race home ensued, Pero winning by three-quarters of a length; a head between second and third.

[The Biennial was remarkable for the first appearance this year of Pero, a son of Pero Gomez, who was once talked about as a Derby horse. He was the outsider of the lot, Alcazar being the favourite; but nothing had a chance with Pero, who won very easily.]
